

Earlham Road

Green pedalway safety improvements Scheduled closures and diversion route

Transport
for Norwich

KEY - only for closure dates listed below

- Road closure (no through traffic)
- Signed diversion route (suitable for HGVs)
- Access only

Road closures and traffic management

On the following dates, Earlham Road will be closed at the points shown on the map and the diversion route will be in place. At all other times it will be open to through traffic.

Closure 1: 7am Saturday 13 July to 7pm Sunday 14 July
Closure 2: 7am Saturday 3 August to 7pm Sunday 4 August
Closure 3: 7am Saturday 10 August to 7pm Monday 11 August
Closure 4: 7am Friday 18 October to 7pm Sunday 20 October

Access will be maintained during the closures. These times are an indication of how long work is expected to take but may vary, depending on factors such as weather conditions. We will aim to re-open the road earlier if possible.

From Tuesday 25 June, two-way traffic lights will be in place on Earlham Road. This will move as changes to side road junctions along the route are carried out. It will also involve rolling closures of the side roads but access will be maintained at all times with diversions directing traffic to use adjacent roads.
